## FGM in the News

22 February 2017

The Day I Became a Woman

**Tanzania: African Governments Should do More to End FGM**

FGM poses a particular challenge for governments because it is rooted in cultural practices, and is often carried out in secrecy. But change is possible.

[Read more](#)

NAFIS is urging the ongoing debate and consultations between the civil society, medical doctors, religious leaders and Ministries.

[Read More](#)

### **Nigeria: Imperative in Ending FGM**

Ingrained in the culture and tradition of many parts of the country, it is proving very difficult to stamp out.

[Read More](#)

### **Egypt: MP Agina Still Doesn't Understand the Uproar his FGM Statements Caused**

The MP has made further controversial remarks in relation to why women should be subjected to female genital mutilation.

[Read More](#)

### **Australia: The State Government has Erred in Removing Ban on FGM From New Legislation**

Approximately 83,000 Australian women and children have been victims of FGM, according to lobby group No FGM Australia.

[Read More](#)

### **Luxembourg: Supporting FGM Awareness**

Luxembourg campaign group Fondation Follereau hosts awareness-raising concert against against female genital mutilation.

[Read More](#)

### **UK: Boys Need to be Told About FGM Too**

"There's no harm in sensible information being available for all, but surely it's the males that need educating."
